**Update on Portfolio Following Heavy Rainfall in Western Japan**

**Singapore, 12 July 2018** – Accordia Golf Trust Management Pte. Ltd., the trustee-manager of Accordia Golf Trust (“AGT”), would like to provide an update on the situation of its golf courses in Hiroshima and Fukuoka, Japan.

***Mr. Yoshihiko Machida, Chief Executive Officer and Executive Director of the trustee-manager, said, “On behalf of the board of directors and management of AGT, I would like to express our sincere condolences to the families of the victims.”***

Several days of torrential rainfall since 28 June 2018 had caused flash flooding and landslides in western Japan. AGT’s three golf courses – Hongo Country Club, Takehara Country Club and Fukuoka Pheasant Country Club – are currently closed due to public road closures against possible landslides and repair works. There is no casualty reported at the golf courses.

Although several AGT’s golf courses also suffered damage, there was no material impact. We will continue to monitor the situation closely and make further disclosure if there is any damage that is likely to have any material impact.
