Dear Board of Directors,

Re: Request to Call for an Extraordinary General Meeting on 18th August 2020

Pursuant to section 54 of the Business Trust Act, we propose that the Trustee-Manager to hold an extraordinary general meeting (“EGM”) to discuss specifically on the following motioned items:

1. That Daiwa Securities Group (“DSG”), even though DSG hold 6.0% of the Trust as a unitholder and is a vested interest party to the proposed divestment¹, a motion to be tabled as to whether Daiwa is allowed to vote on the proposed divestment in the EGM to be convened by AGTM by 14 September 2020. The rationale is as follows: DSG has high involvement in the proposed divestment through their subsidiary, Daiwa Capital Markets Singapore Limited (“Daiwa Capital”). Daiwa Capital has been appointed as the joint financial advisors in the evaluation of the proposed Divestment. Another subsidiary of DSG, Daiwa Real Estate Asset Management Co. Ltd. (“DREAM”) holds majority 51.0% shares of Accordia Golf Trust Management (“AGTM”) jointly with Accordia Golf Co., Ltd (“Accordia” and/or “Bidder”) holding 49%. In addition, DREAM has ongoing business relationship with Accordia as DREAM provides services directly to Accordia Golf Asset Godo Kaisha (the “TK Operator” or “AGA”), together with Accordia. Reference is made to page 325 of the Prospectus dated 21 July 2014 in that: *“In addition, (i) for so long as Daiwa Securities Group and/or its associates is a controlling shareholder of the Trustee-Manager and (ii) should Daiwa Securities Group and/or its associates hold in the aggregate 15% or more of the total voting rights of the Sponsor, Daiwa Securities Group and/or its associates shall abstain from voting on their Units in relation to transactions entered into between AG Trust or its subsidiaries and the Sponsor group in accordance with the Listing Manual”*;
2. That the pay out of the special distribution (the “Supplemental Distribution”) for the JPY 1.2 Billion Special Reserve as announced by AGTM on 23rd June 2020 should be accelerated and pay to the unitholders as soon as possible. Prolonging the pay out of the mentioned special distribution would be unfair to the unitholders and this should be independent of the result of the proposed divestment;
3. That AGTM should continue to provide the quarterly financials, specifically for the Q2 of 2020 which should also be audited. Due to this sensitive period before 14th September 2020, we are of the view that the unitholders are entitled to know the performance of the Trust so as to identify and determine for themselves whether the proposed Divestment is a deal fairly and independently structured for the benefit of the unitholders;
4. That the meeting minutes of all the meetings of the Independent Committee since its establishment / inception of the said committee should be disclosed to the unitholders upon request. The unitholders have the right to know the detail discussions that took place within the Independent Committee and with the bidder during the negotiation;

¹ As announced by AGTM on 29th June 2020 <http://accordiagolftrust.listedcompany.com/news.html/id/785720>

5. That AGTM should disclose to the unitholders the fee tables to DREAM and Accordia annually since inception. The unitholders should have access on such information to better determine the future value of the trust and thus make the best decision on their votes for the proposed divestment;
6. That the distributable income entitled by the unitholders for the period of April to September 2020 should be paid to the unitholders duly and timely, independent from the proposed divestment.

As such, we have prepared and append herein the form of the Resolutions to be table in the proposed EGM.

Yours faithfully,
